Lent is the 40 days leading up to resurrection Sunday. It's a dedicated time of reflection, repentance, and reprioritizing. This Lent season, the HIS calendar is packed with all kinds of activities, but all of them are geared to point us to the Cross. We'll be doing service projects, learning more about God together, and exploring various missions. What a great way to spend Lent! My prayer is that these events will lead us into a powerful season of hope and joy.

Will you pray with me?

Kim
