January 18

I was reminded at church yesterday that we are fighting a "Good fight" when it comes to our faith. Isn't it amazing how some days feel more like a fight than other days? Some days you can kind of coast and you're doing alright. But other days you may feel like you're "on the ropes" half the time, boxing with your surrounding shadows.

If this week produces some fighting days, remember it's a good fight - one that is hard but one that is well worth it. Thanks for pressing on!
