This week is the middle of Quarter Two, so teachers are making sure grades are all updated in Sycamore. Please check Sycamore this week and see how your students are doing in their classes. You will hear directly from teachers if your student has dropped substantially or if there are several missing assignments for the class.

Minggu ini adalah pertengahan Kuartal Dua, jadi para guru memastikan semua nilai diperbarui di Sycamore. Silakan periksa Sycamore minggu ini dan lihat bagaimana kinerja siswa anda di kelas mereka. Anda akan mendengar langsung dari guru jika siswa anda mengalami penurunan drastis atau jika ada beberapa tugas yang tidak selesai untuk kelas.
